

INSTRUCTIONS FOR RECORDING

- Keep your camera off and mute yourself
- Rename yourself with the name of the team or club and country code (PLANET CAN)
- Only when performing open your camera and unmute yourself
- Before doing your routine organizers will represent the name of the team, age category and country
- Organizers will spotlight the screen, so judges can see your routine well
- Keep the music device next to your camera/computer (very close!)
- Please keep your camera steady in one place, don't move it while performing (show the whole carpet)
- There must be absolute silence during the routine, no cheering or applause is allowed
- If possible, please cover the mirrors/windows behind the carpet

Examples of the camera angles (Phone camera works very well, for example iPhone 11)
